THEO
PHARMA PVT. LTD.

IN PURSUIT OF WELLNESS & A BRIGHTER TOMORROW

Health is the symphony of balance & our tablets conduct the harmony of vitality.

At Theo Pharma, we believe in the transformative power of good health. As a pioneering pharmaceutical company, we are dedicated to crafting exceptional products and solutions that promote well being and elevate lives.

"Redefining health with each tablet, as we weave the fabric of well being, one life at a time." – Directors, Theo Pharma

ABOUT US

Theo Pharma PVT Ltd is a fully integrated tablet manufacturing company in India. Established in the year 1995, Theo is one of the leading pharmaceutical companies manufacturing diverse products covering many areas of medicine. At Theo Pharma, our main purpose is to make medicines that are fit for tomorrow and improve lives as we do so.

Headquartered in the heritage city of Ahmedabad, Gujarat, our pan India operations extend to almost every state. At Theo Pharma, we believe "healthy life is a right" and we have been striving tirelessly to achieve that mission for more than 25 years now.

OUR CORE

NURTURING TRUST & AUTHENTICITY

In today's complex world where mental peace has become a luxury and the biggest challenge, we at Theo Pharma are transforming the complete health care industry with innovative solutions. Our core competence is in CNS and Neuropsychiatry, with a very strong presence in Psychiatry, Neurosciences, Pain Management, pediatric range, Antibiotics & General healthcare.

Theo Pharma has achieved many accolades for its vision and clarity in the field of health care. We are CGMP WHO licensed pharma company in India and our commitment to excellence in pharmaceutical manufacturing stands as an unyielding testament to the uncompromising quality of our products from various types of tablets to contract manufacturing products.

TEAMWORK FUELS OUR SUCCESS STORY

In an ever evolving world, our tablets stand as pillars of health, & our strong team helps to spread that vision to every corner of the health care hierarchy. Theo Pharma's field force comprises of a dedicated team of 100+ passionate professionals, reaching out to super specialists, specialists, surgeons, physicians, & rural markets with unwavering commitment and expertise.

We have a diverse portfolio of over 350 exceptional products, skilfully catering to the needs of many doctors, including physicians, specialists, and super specialists. Supported by one of the industry's strongest distribution networks, we extend our reach to chemists, ensuring our life changing solutions touch lives far and wide.

CRAFTING A LEGACY OF CARE & EXCELLENCE

For over a quarter century, Theo Pharma has been synonymous with dedicated service to mankind. Our founder, Shri Ashokkumar. D. Shah & Varshaben. A. Shah envisioned a world where healthcare solutions would uplift lives and bring smiles to faces. With a passion that drives us, we continue to walk this path under the able leadership of our Chairman and Managing Director, supported by his visionary sons, Mr. Mihir. A. Shah and Mr. Prajesh. A. Shah.

EMPOWERING TOMORROW'S HEALTHCARE TODAY

As we look ahead, our vision extends beyond borders. We envision Theo Pharma as a leading global healthcare provider, with a robust product pipeline that sets new benchmarks in pharmaceutical excellence. By 2022, our goal is to achieve sales of over 25 million INR, and by 2025, we aspire to transform into a research driven pharmaceutical powerhouse, driven by cutting edge discoveries.

EXPANDING HORIZONS

At Theo Pharma Pvt. Ltd., our quest for excellence knows no boundaries. As we celebrate our success in the domestic market, we set our sights on the global stage, eager to emerge in new international markets. Driven by our passion for innovation and a commitment to touching lives around the world, we embark on a journey of expansion, seeking to share our exceptional healthcare solutions with diverse countries like Latin America, South Africa, Philippines, Sri Lanka, and Bhutan.

WHY CHOOSE US

COMMITMENT TO QUALITY

At Theo Pharma, quality is at the core of everything we do. Our stringent adherence to international standards, such as CGMP WHO certification, ensures that each product leaving our state of the art facility is of the highest quality, safe, and effective, providing you with peace of mind and confidence in our offerings.

DIVERSE PORTFOLIO OF PRODUCTS

Recognizing that health needs vary, our diverse portfolio of over 350 plus products spans across various therapeutic segments. From neurosciences to pain management, antibiotics to psychiatry, we offer a wide array of solutions, ensuring that you find the right product tailored to your specific health requirements.

MANUFACTURING

At Theo Pharma Pvt. Ltd., we take immense pride in our world class manufacturing facility, where innovation meets precision to create healthcare solutions that impact lives positively. Our facility is a testament to our unwavering commitment to quality, safety, and excellence in pharmaceutical manufacturing.

INNOVATION & EXCELLENCE IN RESEARCH

We are driven by a passion for innovation and a relentless pursuit of excellence. Our world class research and development center, equipped with cutting edge technology, focuses on pioneering discoveries, enabling us to stay at the forefront of pharmaceutical advancements and address emerging health challenges effectively.

TRUSTED PARTNERS IN HEALTHCARE INDUSTRY

With over two decades of legacy, Theo Pharma has earned the trust of healthcare professionals and millions of individuals worldwide. Our unwavering commitment to transparency, safety, and efficacy, coupled with our dedication to empowering lives through knowledge and care, makes us a trusted healthcare partner you can rely on.

CUTTING EDGE FACILITY

Nestled in a pristine location, our manufacturing facility at Theo Pharma Pvt. Ltd. is carefully chosen to ensure the highest standards of safety and quality. Situated away from any industrial fumes, pollutants, or pests, it creates an ideal environment for crafting pharmaceutical solutions that truly make a difference in people's lives.

At Theo Pharma, we leave no stone unturned in safeguarding the integrity of our products, ensuring they meet the stringent standards that reflect our commitment to your health and well being. Our facility is spread across a huge campus area in the outskirts of Ahmedabad.

ACHIEVING EXCELLENCE THROUGH METICULOUS MANUFACTURING PROCESS

At Theo Pharma Pvt. Ltd., our commitment to excellence is evident in every step of our meticulous manufacturing process. We believe that the key to delivering exceptional healthcare solutions lies in the precision and dedication we pour into each product we create.

Stringent quality control measures from acquiring raw materials to dispatch

Pioneering warehouse methods for storage and distribution

Exclusive material dispensing techniques in RLA

Innovative 21 CFR instruments and monitoring system

Latest HVAC system with air control quality

Premium zero discharge effluent treatment plant (ETP)

Plant design adhering to global compliance standards of CGMP and WHO/PIC guidelines

Best in class laboratory with benchmark CGLP instruments

Unmatched Production Capacity

At Theo Pharma, our capacity to produce 25,00,000 units per day is fuelled by an innovative research driven approach. Our laboratories continuously explore ways to streamline manufacturing processes, enhancing productivity while upholding the highest quality standards. This dedication to innovation ensures that we are at the forefront of pharmaceutical excellence.

Additionally, to safeguard the integrity of our products, Theo Pharma Pvt. Ltd. boasts an air conditioned storage facility that provides an ideal environment for storing sensitive pharmaceuticals.

Our state of the art manufacturing unit is equipped with advanced automated systems that seamlessly integrate with our production processes. Robotics and automated machinery play a pivotal role in each step of tablet production, from blending and granulation to compression and coating.

Ensuring Excellence through Our Robust Quality Management System

At Theo Pharma Pvt. Ltd., we pride ourselves on upholding a robust Quality Management System (QMS) that adheres to cGMP/GLP standards while aligning with international regulations. Our commitment to excellence encompasses every aspect of our operations, from meticulous documentation and stringent record keeping to rigorous internal audits.

We are recognized as a leader in the pharmaceutical industry, not only for our products but also for our commitment to Quality, Health, Safety, and Environmental (QHSE) principles.

At Theo Pharma we understand the importance of adhering to regulatory requirements and strive to comply with the Drug and Cosmetic Act and system authorization agencies. Our unwavering commitment to compliance underscores our dedication to being a trusted pharmaceutical partner, delivering products that consistently meet and exceed industry standards.

Pursuit of Consistency and Innovation

As responsible manufacturers, we continually seek to improve our processes and products through the incorporation of cutting edge technologies and innovative methodologies. Our focus is on maintaining consistency and delivering products of uncompromising quality, ensuring that every batch meets the highest standards of safety and efficacy.
